

Prescription Drugs

Retail - 30 Day Supply

Mail Order - 90 Day Supply

Mandatory Generic (MAC Allowance)

	Retail - 20% coinsurance		Mail Order - 20% coinsurance	
	Minimum Copay	Maximum Copay	Minimum Copay	Maximum Copay
Generic	\$10	\$20	\$15	\$30
Brand Formulary	\$20	\$40	\$30	\$60
Brand Non-Formulary	\$30	\$60	\$45	\$90

Under this plan you will be responsible for at least the minimum co-payment amount.

However, you will never pay more than the maximum co-payment amount. For example if the retail cost of your Brand Formulary medication is \$300, your co-payment will be \$40 as opposed to \$60 which would be 20% of the cost. Conversely, if the retail cost of your Brand Formulary medication is \$80, your co-payment will be \$20 as opposed to \$16.
